If our accommodation facilities are all booked out, here are some advice to help you in the search of an accommodation.

About a private flat

Renting a privately-owned flat in Ancona is not very expensive. The cost of a single room amounts to around 200-250 €per month, while a double room is 150-200 €per month. In some periods of the year vacant rooms are very difficult to find. Renting a room through an estate agent is also possible, but it can be more expensive.

In the case of privately-owned flats, rents may not include bills (water, power and gas supply) which need to be paid as extra-charges. In addition you may need to pay the internet connection yourself, which usually amounts to 15-20 €per month.

Transport:

If you arrive by airplane, a bus service from the airport will take you to the centre of Ancona:

Buses from P.za Cavour drive up to 11.10 pm. After that, you can use a taxi service.
